

Deborah Baker

Compliance and Health and Safety Manager

Deborah is the Compliance Manager of JPI Fire & Building Regulation Consultants Ltd and JPI Building Control Approvers Ltd [JPI Compliance] and has over 14 years' experience in health and safety with a strong background across engineering, construction, project management. Proven ability to develop and implement HSE strategies, ensure regulatory compliance and drive positive safety culture across complex, multi-site environments. Skilled in risk assessment, incident investigation, contractor management, and continuous improvement, with a track record of reducing incidents and supporting safe project execution from design through to operation.

Prior to starting at JPI Compliance, Deborah worked at Dalkia (EDF) as a QSHE Manager, providing strategic and operational health and safety leadership across a diverse portfolio of high-profile engineering, construction, and facilities management contracts.

- Led Health and Safety delivery across complex and high-risk environments, including the Houses of parliament, Hunterston Power Station, and a broad portfolio of schools, hospitals, and leisure facilities.
- Ensured full compliance with Health and Safety legislation, industry standards, and client-specific requirements across multi-site operations.
- Supported engineering and construction project teams throughout the project life cycle, embedding safe design principles and ensuring effective risk management from planning through to execution.
- Managed and mentored Health and Safety advisors, providing Technical guidance, oversight and professional development support to ensure consistent standards across the business.
- Developed, implemented, and monitored safe systems of work, including RAMS, permit-to-work systems and contract management processes.
- Led Incident investigations, ensuring root cause analysis was completed and corrective actions embedded to prevent recurrence.

Professional Qualifications

- NCRQ Diploma (Level 6) Applied Health and Safety
- IOSH – Certified member (CertIOSH)

Professional Memberships

- IOSH (Institution of Occupational Safety and Health)

Compliance

Our Services

Our experienced team of professionals are dedicated to providing our clients with the highest standard of end-to-end building compliance services.

www.jpicompliance.co.uk

At JPI Compliance, our mission is to ensure that people are safe in and around buildings, and that's why we focus on ensuring 'building compliance'. We can deliver this in our capacity as Registered Building Control Approvers (RBCA) or via our Fire Safety & Building Regulations advisory consultancy.

Registered Building Control Approvers

Our Licence to Operate as a Registered Building Control Approver (RBCA) was accepted by the Health and Safety Executive without exclusion under;

RBCA Number: RBCP05531V2X

JPI Compliance can provide Building Control services across the whole of England and Wales.
